*Friday, June 4, 2021*

Mr. GOSAR. Madam Speaker, I rise today to honor the lifelong career of a great Fire Chief, Mike Farber. In a 40-plus-year career, Mike has selflessly risked his life as a firefighter for the people of Arizona. His courageous leadership and expertise was reflected in his role as a serving member of the Mesa Community College Curriculum Committee and Fire Science Advisory Committee. For three consecutive years, Mike facilitated a Leadership Academy and brought numerous recognized leaders from the fire service to share their wisdom and to help mentor the district's officers and staff.

Mike was also well known for his extensive experience and educational background. For more than 20 years, Mike has taught courses at Mesa Community College and Central Arizona Community College in Tactics & Strategy, Hydraulics, Supervision, Algebra, and Communication. His commitment and work ethic to civic duty and his community is a characteristic that all Americans should strive for. I believe that Fire Chief Mike Farber is a great example of what being an American is about. His impact and involvement will not be forgotten by his local community and state.

**CONGRATULATING THE PLAINVIEW  
ROTARY CLUB ON 100  
YEARS OF ACTION**

**HON. JODEY C. ARRINGTON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 4, 2021*

Mr. ARRINGTON. Madam Speaker, I rise today to congratulate the Plainview Rotary Club, which is celebrating 100 years of service.

Since May 1, 1921, the Plainview Rotary Club has consistently served not only the Plainview community, but also the entire Texas Panhandle region and beyond. While times have undoubtedly changed over the past century, the Plainview Rotary Club's foundation of "Service Above Self" has not. With almost 60 members, this club's impact echoes throughout West Texas.

Whether it is working with the Salvation Army at Christmas, providing dictionaries to Hale County third graders, awarding students with perfect attendance, giving protective equipment to medical personnel, or promoting community improvement projects, Plainview Rotarians are known for putting service into action.

These individuals exemplify the principles of West Texas exceptionalism. For that, I wish to thank each member of the Plainview Rotary Club for their continuous, dedicated commitment to improving the lives of others. It is an honor to represent these members in our Nation's capital.

Again, congratulations on 100 outstanding years, and go West Texas.

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to congratulate Gary and Marie Kline as they celebrate their 50th wedding anniversary on Saturday, June 5, 2021.

Together they raised a beautiful family, welcoming a son, Gary, and daughter-in-law, Jessica.

For decades, they have worked together to serve the Chambersburg community and are active members of the Corpus Christi Church. Gary is a Fourth Degree Member of the Chambersburg Knights of Columbus Council 1426, where he served as Grand Knight from 2000 to 2002. Marie's community involvement extends from her volunteer work with the local Red Cross organizing blood drives across the region and to her service to local children at the Fourth Street Nursery School.

Gary and Marie Kline have shared a wonderful 50 years of marriage. Their enduring commitment to one another has held them together for better and for worse, and their strong and lasting marriage is one of life's greatest blessings. As Mr. and Mrs. Kline celebrate this remarkable achievement, I wish them every continued health and happiness in the years to come.

**MENSTRUAL EQUITY FOR ALL ACT  
OF 2021**

**HON. GRACE MENG**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 4, 2021*

Ms. MENG. Madam Speaker, I rise today to announce that on May 28th, Menstrual Hygiene Day, I introduced my Menstrual Equity for All Act of 2021. No one should be inhibited from participating fully in daily life due to lack of access to menstrual products. Safe, affordable access to period products is a basic need for over half the population, moreover, it is a human right.

Madam Speaker, period poverty permeates and cuts across a swath of issues—from educational equity to criminal justice reform; from economic and housing justice to immigration. The tragic reality for too many individuals in our nation, is that the cost of menstrual prod-

ucts is a barrier to managing monthly menstruation in a safe and dignified manner.

In the United States, 25 million women live at or below the poverty line. A 2019 study found that among low-income women in a major U.S. city, nearly half had to choose between buying food and spending money on menstrual products. One in five teens have struggled to afford period products, or were not able to purchase them at all. As a result, over 80 percent of teens say they missed school or know someone else who has. A recent study revealed that 1 in 10 college students was unable to afford menstrual products, and those who experienced period poverty on a monthly basis, were more likely to experience moderate to severe depression.

Madam Speaker, menstruators from all walks of life, across our country are having to choose between their period or their dignity. In fact, a lawsuit filed against DHS's monstrous treatment of migrant children in its custody found that girls with periods were left to bleed through their clothes and denied showers for days on end. This is unconscionable. We must break the silence, raise awareness, and fight for menstrual equity for all—each and every day.

My Menstrual Equity for All Act, is the first of its kind to comprehensively address the challenges of those experiencing period poverty. My bill would provide students from elementary school through postsecondary education free menstrual products, ensure that incarcerated individuals and detainees in federal, state, and local facilities have access to free menstrual products, allow homeless assistance provides to provide these products with federal grant funds, require Medicaid to cover the cost of menstrual products, direct large employers to provide free menstrual products in the workplace, and ensure that all public federal buildings provide free menstrual products in restrooms.

Madam Speaker, we cannot address educational equity, economic justice, or infrastructure reform without addressing the barriers that prevent our social infrastructure from caring for the basic health care rights of our population. I urge my colleagues to support this legislation and join me in upholding this human right. We must work to end period poverty once and for all.

**RECOGNIZING WWII VETERAN

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 4, 2021*

Mr. BOST. Madam Speaker, I rise today to celebrate Evertt Atkinson of Mt. Vernon, Illinois, who turns 99 tomorrow.

Evertt was born on June 5, 1922, in Jefferson County to Emery Pearl and Hallie Winnifred Morre Atkinson. Upon the death of his mother, Evertt dropped out of school at the age of 13 to help his father tend to the family dairy farm and help raise his three younger brothers. Upon hearing of the bombing of Pearl Harbor, Evertt hitchhiked from Mt. Vernon to Scott Air Force Base to enlist in the military. However, he was only 19 at the time, and he was forced to return home to get his father's written permission to enlist.
